"POPS" HOE-DOWN

COMPOSED BY RICHARD HAYMAN

The Bountiful Philharmonia would like to dedicate today's concert to the memory of Jack Ashton, who passed away last Saturday, March 15th. Jack profoundly shaped the lives of hundreds of young musicians as a devoted private teacher, orchestra director, and professional violinist. He cared deeply for his students, who adored him not only for his unwavering standard of excellence but also for his warm humor that kept

things refreshingly down-to-earth. Today, we honor his legacy by continuing the tradition of heartfelt music-making and dedication to excellence that he so generously shared with us.
